

TAHA SAFETY HDPE FLEX WARNING POST

PRODUCT DESCRIPTION

HDPE post and rubber base. Fold Down Parking Posts which have a built in heavy duty Spring, designed to allow the Post to move slightly should a vehicle hit the Post, this reduces damage to the Post & Vehicle. Cowhells rope inside connect the body post and rubber base. Removable bollard post twist-locks into base. The bollard can be removed if required or installed using epoxy or masonry anchors.

**WL 17 – Height 80 cms.
45 cms reflective.**

**WL 18 – Height 100 cms.
45 cms reflective.**

USAGE :

dividing the roads, The reflective tape has high visibility which frames the road at night for drivers and it works in rainy or snowy weather as well.
