

TAHA SAFETY PU FLEX WARNING POST WL 14

PRODUCT DESCRIPTION

PU flexible post 75 cms height. Post diameter 10 cms. Base diameter 21 cms with 3 pcs 5.5 cms reflective. Weight is 1.4 kgs PU is the relatively new technique applied on Warning post. It has incredible flexibility which makes it be able to withstand impact by cars or be rolling by wheels. It will be back to shape no matter how cars impact it or wheels roll it. The reflective tape has high visibility which frames the road at night for drivers and it works in rainy or snowy weather as well.
